

Transportation | Drop Off, Pick Up & Parking

Update: 08_25_2021

It is of vital importance for the timely start of school and protection of all that everybody is familiar with and adheres to the drop off and pickup procedures. During pick up and drop of times, everybody, inside and outside must always wear a mask and remain 6 feet apart. Please stay to the far right of the paths when entering and exiting. Please do not stop and do not mingle with other students or parents and do not use the playground. Proof of health screening at home each day after 5:00 am must be shown at the entrance for each child entering the school. Your help for your community in making school possible by adhering to the timeframes mentioned below is greatly appreciated. Thank you!
