

Class Quilt Sign-Up

Help us prepare class quilts for the Gala Auction! **We need volunteers** to help us cut, arrange and sew the class quilt pieces together. Any parents, students or community members are welcome to join the sewing efforts!

In January, we will be gathering fabric and cutting our fabric pieces. Starting in February, we will hold regular "Quilting Parties" to assemble the quilt pieces. It will be a fun opportunity to socialize and put your sewing skills to use! More details to follow.
