

Dear Students, Parents and Community,

Thank you for your continued commitment to learning at the German Language School @ GISNY. It is wonderful to see the strong interest in not only learning the German language but also the culture and heritage of the German Speaking Countries.

This past year has been very challenging to say the least. From speaking with members of our community, many are looking forward to in person learning, but many also found merit in the accessibility and convenience provided by remote learning, such as the extra minutes sleep on Saturday morning made possible by a classroom that's a mouse click away from the breakfast table.

Current expectations are for students to return to the physical classroom @ GISNY commencing January 29, 2022.

In order to protect all of our students, GISNY requires that all students participating in mixed-cohort programs **are fully vaccinated**.

**Please provide us with the vaccination record of your student
before the start of the 2nd semester.**

Last but not least, I would like to wish all of you a Happy Holiday Season, and a healthy New Year. Your teachers are looking forward to seeing you back in their Zoom classrooms on Wednesday January 5th, and Saturday January 8th.

Sincerely,

Dr. Stefanie Mischner
Head of Language School
